

Distribution of mean #SNPs per bin (avgReads) of
the randomly selected and the observed
Kolmogorov Smirnov test p-value=0.999980773665202

SAE

Distribution of mean AvgReads per bin of
the randomly selected and the observed
Kolmogorov Smirnov test p-value=1

SAE

**Distribution of mean proportion of unique SNPs per bin (avgReads) of
the randomly selected set.**
